**Submissions Now Received on Computer Diskette!**

The Journal wishes to inform authors that submissions can now be made on computer diskette, as long as the diskette accompanies the required number of copies of the manuscript (see "Instructions to Authors" in our January 1, 1991 issue, Volume 133, Number 1, pp. 96-99, available on request from the editorial office). A DOS diskette is a requirement with the final revision of the paper. Please specify what software was used. Note that we can handle either 5½ or 3½ inch diskettes.
