Epidemiologic Reviews

Editor-In-Chief: Dr. Michel A. Ibrahim
Impact Factor: 6.67  5-Year Impact Factor: 9.39

Epidemiologic Reviews, a sister publication of the American Journal of Epidemiology, is devoted to the publication of comprehensive and critical reviews on specific themes once per year. For the past several years, Epidemiologic Reviews has had 1 of the top 5 impact factors of the approximately 160 public health journals rated. Recent issues have focused on:

Epidemiologic Approaches to Veteran’s Health
Epidemiologic Approaches to Women’s Health
Epidemiology of Aging
Epidemiologic Approaches to Injury and Violence

The latest issue of ER explores issues around gun violence, focusing on risk, consequences, and prevention. The issue is available online at epirev.oxfordjournals.org/content/38/1.toc.
